Why top coaches keep learning

You have attended a solid foundation program to become a professional internal or external coach. You have practiced coaching and achieved good results. You may have even achieved an international credential such as RCC (WABC) or ACC (ICF).

At the same time, you know that coaching is a fast evolving profession and sense that it's crucial to keep progressing to become or remain a top coach.

The APC was exclusively designed for already practicing coaches who want to deepen and broaden their coaching expertise and be able to serve their clients even better.
